

Adding different page numbers to different sections of a thesis

How to add different page numbers or number formats to different sections:

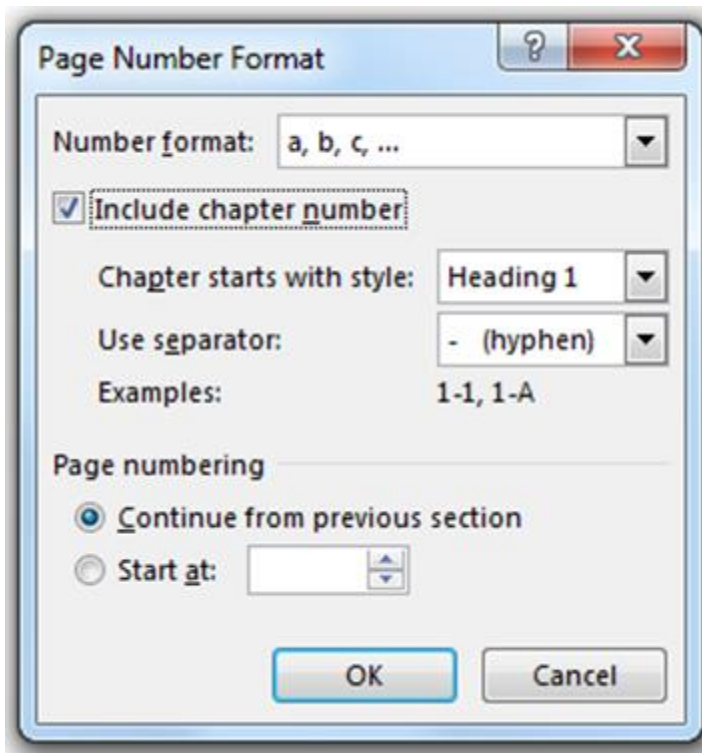

1. Click at the beginning of the first page where you want to start, stop, or change the page numbering.
2. Under **Page Layout**, in the **Page Setup** group, click **Breaks** > **Next Page**.

3. In the **Header & Footer** group, click **Page Number** and then pick a location and a style.

4. To choose a format or to control the starting number, in the **Header & Footer** group, click **Page Number** > **Format Page Numbers**.

5. Click the **Number format** or the **Start at** number that you want to use, and then click **OK**.
